2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Disclosures contained in this summary as presented by management, are those that are believed to be significant as of the date of the compilation report and are not intended to be all-inclusive. The disclosures are intended to describe assumptions used during the preparation of the 2024 annual budget. Actual results may differ from the prospective results contained in the budget.

SERVICES PROVIDED

The Village at SouthGate Metropolitan District (the "District"), was organized in Adams County to provide financing to construct and install local and regional public improvements for the Village at SouthGate Development, including potable water and sewer lines larger than 12" in diameter; storm drainage facilities; the full width of major and minor arterial and collector roadways; community parks; and recreational facilities and services.

The District prepares its budget on the modified accrual basis of accounting.

REVENUE

Property Tax

Property taxes are forecasted based on the mill levy adopted applied to the annual assessed valuation. The calculation of the taxes levied is displayed on page 2 of the budget at the adopted total mill levy as adjusted for changes in the assessment rates. The base mill levy rate is 50.000 mills is comprised of the Required Mill Levy for the Limited Tax General Obligation Bonds Series 2018A and Subordinate Limited Tax General Obligation Bonds Series 2018B in the Debt Service Fund of 40.000 mills and the Operations Mill Levy of 10.000 in the General Fund.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 6% of the property taxes collected.

Operations and Maintenance Fees

Effective June 1, 2021, the District imposed a monthly maintenance fee of \$60 per single family home, which is billed quarterly in the amount of \$180 per single family home.

Investment Income

Interest earned on the District's available funds has been estimated based on interest earnings from the prior year.
